

SETTLEMENT AGREEMENT
BETWEEN
SARA HAMMOND
AND
TRI-COASTAL DESIGN GROUP, INC.

Sara Hammond (“Hammond”) and Tri-Coastal Design Group, Inc. (herein referred to as “TCD”) (Hammond and TCD are collectively referred to as the “Parties”), enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Hammond’s allegations that TCD violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1. Introduction

- 1.1. Hammond alleges she is an individual who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.
- 1.2. TCD previously sold, imported, distributed, or manufactured at various times notebooks with clear PVC covers (for example the Unicorn Tears Notebook, UPC 1 92040 22050 7, Item Number 0281011 and 30332-21963-KO, referred to throughout as the “Covered Product”).
- 1.3. Hammond alleges that the Covered Product contains Di(2-ethylhexyl)phthalate (“DEHP”). Also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that TCD did not provide a required warning in compliance with

the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”)).

- 1.4. On January 1, 1988 the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before Hammond served her “Sixty-Day Notice Of Violation Sent in Compliance With California Health & Safety Code § 25249.7(d)” which is further described below.
- 1.5. DEHP is referred to hereafter as the “Listed Chemical”.
- 1.6. On or about December 13, 2018 Hammond alleges she served Kohls Corporation and related entities and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation that was sent pursuant to California Health & Safety Code § 25249.7(d) alleging the Covered Product contained the Listed Chemical (the “Notice”). Kohls in turn notified TCD of the alleged violation contained in the Notice.
- 1.7. The Notice alleged that Kohls and the vendor of the product violated Proposition 65 by failing to warn consumers in California that use of the Covered Products exposes persons to the Listed Chemical.
- 1.8. The Parties enter into this Settlement Agreement to settle disputed claims between them concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).

- 1.9. TCD disputes Hammond's allegations described in this Settlement Agreement and in the Notice.
- 1.10. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by TCD, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, licensees, licensors, suppliers, distributors or retailers of its products, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Hammond or TCD may have in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2. Release

- 2.1. This Settlement Agreement is a full, final, and binding resolution between Hammond, acting in her individual capacity, on the one hand, and (a) TCD, and its current owners, parents, subsidiaries, affiliates, sister and related companies, licensees, licensors, suppliers, employees, shareholders, members, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively

“Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not limited to Kohls Corporation and related entities, distributors, wholesalers, customers, retailers, franchisees, and cooperative members (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to any Proposition 65 listed chemical or the failure to warn about exposure to any Proposition 65 listed chemical arising in connection with the Covered Product sold or otherwise distributed by TCD prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

- 2.2. Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees and the Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in connection with the Covered Product sold or otherwise distributed by TCD up to the Effective Date, including without limitation to the extent that such claims relate to Releasees’ or Downstream Releasees’ alleged exposure of persons to any

Proposition 65 listed chemicals contained in the Covered Product or any failure by Releasees or Downstream Releasees to warn about exposures to any Proposition 65 listed chemical contained in the Covered Product.

- 2.3. Hammond acknowledges that she is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which she may have under, or which may be conferred on her by the provisions of California Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth below are paid in full.

- 2.4. TCD's release of Hammond

TCD on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby waives any and all claims against Hammond and her attorneys and other representatives, whether in

the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Product.

3. TCD's Duties

- 3.1. Effective on and after August 31, 2019 TCD shall not sell the Covered Product for distribution in California in the future and shall not resume sales of the Covered Product in California unless the product meets the reformulation standard set forth in Paragraph 3.2 or unless TCD provides a clear and reasonable warning for any non-reformulated Covered Product that it sells in California.
